VILAS COUNTY DATA DISCLAIMER AND USAGE AGREEMENT

Vilas County's downloadable digital data, including but not limited to geographic data, tabular data, analytical data, electronic data structures or files, are provided "as is" without warranty of any kind, either expressed, implied, or statutory, including, but not limited to, the implied warranties or merchantability and fitness for a particular purpose. The user assumes the entire risk as to the quality and performance of the data. No guarantee of accuracy is granted, nor is any responsibility for reliance thereon assumed. In no event shall the Vilas County Land Information Officer be liable for direct, indirect, incidental, consequential or special damages of any kind, including, but not limited to, loss of anticipated profits or benefits arising out of use of or reliance on the data.

Vilas County and the Vilas County Land Information office do not accept liability for any damages or misrepresentation caused by inaccuracies in the data or as a result of changes to the data caused by system transfers or other transformations or conversions. These data have been developed from the best available sources. Although efforts have been made to ensure that the data are accurate and reliable, errors and variable conditions originating from physical sources used to develop the data may be reflected in the data supplied. Users must be aware of these conditions and bear responsibility for the appropriate use of the information with respect to possible errors, scale, resolution, rectification, positional accuracy, development methodology, time period, environmental and climatic conditions and other circumstances specific to these data. The user is responsible for understanding the accuracy limitations of the data provided herein. The burden for determining fitness for use lies entirely with the user. Distribution of these data is intended for information purposes and should not be considered authoritative for engineering, legal and other site-specific uses.
