TONY JONES JOINS VILAS COUNTY LAND INFORMATION/MAPPING DEPARTMENT

Barb Gibson, Vilas County GIS Coordinator/Land Information Officer announced the hiring of Tony Jones as Parcel Mapping/Survey Specialist. “Tony has been with us in this position as an LTE for the last two months and we are very pleased to announce his fulltime appointment to the position.” stated Gibson.

Jones graduated from UW-Eau Claire with a Bachelor of Science degree in Geology and from Nicolet Area Technical College with an Associate’s Degree in Land Surveying Technology. He has been a Registered Land Surveyor in the State of Wisconsin since 2000 and his past experience includes two years as a Parcel Mapping Technician for Oneida County and he has also worked with two engineering firms, acquiring knowledge in land surveying and mapping, with conventional and GPS survey equipment, software and procedures. With this experience, Jones has fit seamlessly into the Vilas County position with regard to understanding and using ArcMap 10, Vilas County’s mapping software, along with deeds, tax listings and survey maps. In 2012, Jones, an active member of the Wisconsin Society of Land Surveyors (WSLS), accepted the post of Representative of the Northern Lakes Chapter to the WSLS Board of Directors. He will serve in that capacity for two years.

“I look forward to a long and productive career with the Vilas County Land Information/Mapping Department.” Jones stated. “I very much enjoy the people I work with and the prospect of providing accurate maps and map information for Vilas County”. When he’s not mapping, Jones enjoys spending time with his family, home brewing and acting in performances with the Nicolet Players at the Nicolet Area Technical College.
